

VCHS HS Final's Week Schedule May 27, 28 & June 1, 2010

There will not be any new instruction taking place in our academic courses during the last week of classes at the end of each semester (grades 9-12 only). **Final exams at VCHS are worth 20% of a student's semester grade in each course. Some courses substitute a project in place of the final exam, but it is still worth 20% of the student's semester grade.** Teachers have the flexibility of utilizing the 2-hour final exam time period as they believe is necessary depending on the grade level of their students.

Students will not be dismissed from a final exam until the end of the testing period. **Students that do not have a final exam during any testing time throughout the school day and have the ability to arrive before or leave after an exam, may do so upon this being communicated by a parent to the high school office.** If a student arrives after the start of the school day or leaves during the school day, they must sign in and out at the school office. Students arriving late for a final exam will be considered tardy. Students will not be permitted to 'hang out' in the hallways during final exam week.

During final exams, all high school students are allowed to leave for off campus lunch. If you do not want your student to leave, it is the parent's responsibility to communicate this to your student.

****Locker check out procedure: High school students must remove everything from their lockers and clean them by the end of finals. There will be buckets and rags available for cleaning. You may not be in the halls cleaning lockers between 8:15-12:50 during finals. You must have Mrs. Steeves sign off on your locker – she will be available between 1:00 and 3:30 during finals. If you prefer to take care of this prior to finals you may do so, but be aware that once your locker is signed off, the combination will be changed and it is no longer available to be used.**
