

## Senior Final's Week Schedule – May 2010

Seniors will be taking their end of year final exams at a special time to allow them to leave for their senior trip. **Final exams at VCHS are worth 20% of a student's semester grade in each course. Some courses substitute a project in place of the final exam, but it is still worth 20% of the student's semester grade.**

Students will not be dismissed from a final exam until the end of the testing period. **Students that do not have a final exam during any testing time throughout the school day and have the ability to arrive before or leave after an exam, may do so upon this being communicated by a parent to the high school office.** If a student arrives after the start of the school day or leaves during the school day, they must sign in and out at the school office. Students arriving late for a final exam will be considered tardy. Regular classes (grades PreK-11) will be in session during the senior final exams, so seniors will be required to be in the testing area at all times. Other students will not be allowed in the testing area. The testing area will be The Commons.

**All seniors will be allowed to have open lunch during finals. It is the parent's responsibility to communicate to their student if they do not want them to leave for lunch. There will not be hot lunch available during finals.**
